

# Model Rail Cast

## A Model Railroad Focused Audio Show

**Listen to Ryan & Will on the Model Railroad Podcast Show on your iPod, MP3 Player or your computer.**

**Download the show completely **FREE** from iTunes or from [www.ModelRailCast.com](http://www.ModelRailCast.com)**

The Model Rail Cast show is a podcast dedicated to the hobby of model railroading for both the beginner and the experienced modeler. You can listen to it at your convenience on your I-Pod or home computer.

Ryan and Will discuss all aspects of the hobby in a format that carries you, the listener, along a model railroad journey that is fun, entertaining, educational, informative, and could be the inspiration you need to build your next lay-out!

You can listen to the show each week for **free** through iTunes, Pod Alley or by visiting their website at <http://www.modelrailcast.com> The website is a community of listeners with great conversation, photographs, how-tos and many links to other railroad and modeling related topics.

Don't forget to call 206-202-2395 after the show, or at any time, and leave a message for Ryan and Will about the Model Rail Cast show or any railroad topic, and please tell all of your model railroad friends to listen.

**Support the SHOW, so it can GROW!**

**If you love model trains, you will love**
